

Hello,

I will be attending your Gilding Seminar and am truly looking forward to it. I attended your flower arranging class and loved it!! This will also give me an opportunity to shop at Eldredge which I always enjoy.

I hope you continue your fine work of bringing talented artists to present their skills, knowledge and advice. It brings our community together, provides an opportunity to learn something new and share an enjoyable time with friendly people.

Also the raffle you hold to help the Coastal Clovers 4-H Club provides attendees with an opportunity to support a very worthwhile organization. The prizes you offer the lucky winners are things they can take home and really enjoy.

Thank you,

Deborah Agrella
