Dear Mr. Eldredge,

I wanted to take this opportunity to let you know what an excellent job Linda Taylor did in assisting me with flooring and tile. She was very knowledgeable about all your products but even more importantly she listened to me as I explained what "look" I was trying to achieve and she was able to point me in the right direction. While very professional she is also friendly and easy to work with and always returned my calls and answered any questions I had in a way that put me at ease.

This is the first time we have used your services but because of my positive experience with Linda Taylor I would not hesitate to use Atlantic Design again. I would feel confident recommending your design center to other clients and contractors as well.

Sincerely,

Claudia Marra
